

OUR VALUES:

We value **SMALL GROUPS** ministry as a safe environment for both seekers and believers in which their faith in God can grow and mature while in fellowship with others.

We value **PRAYER** as a means of communication with God and believe it to be foundational in establishing God's church and meeting the needs of the whole world.

We value having a commitment to a life of **HOLINESS** by responding appropriately to the principles found in God's Word that will produce transformed lives.

We value **CHURCH PLANTING** through bold, relentless and effective Holy Spirit empowered evangelism as a very important means of extending the Kingdom of God.

We value **LEADERSHIP DEVELOPMENT** by the means of personal gift discovery, equipping and empowering each to follow after God's call.

We value extending the Father's heart of love and **COMPASSION** to every individual in order to heal and strengthen, as well as to restore their relationship to God and others.

We value **PREACHING** and **TEACHING** the timeless and inerrant principles of God's Holy Word by the power of The Holy Spirit in a relevant way so as to make more and better disciples.

We value developing a heart of **WORSHIP** that will be evident by our attitude of thanksgiving and praise and the giving of ourselves and resources to God.
